Alexandria, VA 22313-1450

DECLARATION UNDER 37 C.F.R. ' 1.132

We, David B. Rozema and Darren Wakefield, Jon A. Wolff, Kirk Ekena, and James E. Hagstrom, hereby declare as follows:

1. We are inventors of the above captioned application and co-inventors of U.S. Patent 7,019,113.
2. The above invention disclosed in U.S. Patent 7,019,113 was derived from the inventors of the above captioned application and is therefore not by another.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
